

Bridges Conner Bio

Bridges is the founder and owner of Get Organized with Bridges + CO. She is the premier organizer in the valley with over 16 years of experience in the industry. You may recognize her as Channel 3 TV's organizing sweetheart. If you haven't viewed the segments yet, you're missing out! You can [click here](#) to watch them!

Not only is Bridges an excellent organizer, she is a phenomenal coach and past President of [National Association of Productivity and Organizing Professionals](#) (NAPO-AZ). She has created a team of seasoned organizers who understand that organizing is not a one-size-fits-all. She teaches the importance of using the foundational methods of effective organizing with a combined customized approach to cater to the needs of the client. Clearing the clutter is only part of the process; leaving the client with the tools, resources, and support to maintain systems is the end goal that drives Bridge's passion.

As stated best by a recent client who would like to be known as the "Anonymous Crazy Lady"... *"Without Bridges, we would have had to move or burn the place down!"*

Bridges works to give her clients back the time to enjoy what they really love in life. She herself enjoys spending time with her sons and the great outdoors. As of late, she can be found jumping out of planes, hanging upside down at a yoga studio or more subdued activities that include going on hikes with her four-legged buddy, Bisbee.
